

CALL FOR PAPERS

ICSD 2019
Nov 11-12, 2019
Tokyo, Japan

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSD 2019 : International Conference on Social Democracy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Social Democracy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Social democracy
Democracy and social justice
Social democratic politics and values
Current challenges of social democracy
Social democracy and reform
Liberalism, neoliberalism and social democracy

Social democratic values: equality, equitability and solidarity
Social democracy in the modern world
Market capitalism and democracy
Social democracy and democratic socialism
Distribution of the production results
