

CALL FOR PAPERS

ICAMMDT 2019
Nov 12-13, 2019
Venice, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAMMDT 2019 : International Conference on Advanced Mechanical and Manufacturing Design Technology is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Mechanical and Manufacturing Design Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Mechanical Dynamics and Its Applications
Mechanical Transmission Theory and Applications
Mechanical Reliability Theory and Engineering
Theory and Application of Friction and Wear
Vibration, Noise Analysis and Control
Dynamic Mechanical Analysis, Optimization and Control
Innovative Design Methodology
Product Life Cycle Design

Intelligent Optimization Design
Structural Strength and Robustness
Reverse Engineering
Green Design and Manufacturing
Design for Sustainability
New Mechanisms and Robotics
Complex Electro-mechanical System Design
Advanced CAE Technique
