

CALL FOR PAPERS

ICFII 2019
Nov 12-13, 2019
Venice, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFII 2019 : International Conference on Financial Innovation and Information is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Financial Innovation and Information. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world.
