

CALL FOR PAPERS

ICUOSPD 2019
Dec 19-20, 2019
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUOSPD 2019 : International Conference on Urban Open Space Planning and Design is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Open Space Planning and Design. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Urban open space	Aesthetic aspects of urban open space
Open space planning and design	Public health
Planning for green open space in urban landscapes	Virtual environments
Land use planning for natural landscapes	Urban open space for physical activity
Recreational benefits of urban open space	Private development and management of urban open space
Ecological aspects of urban open space
