

CALL FOR PAPERS

ICCPDTM 2019
Dec 05-06, 2019
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCPDTM 2019 : International Conference on Clinical Pathology, Diagnostic Techniques and Medicine is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Clinical Pathology, Diagnostic Techniques and Medicine. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
