

CALL FOR PAPERS

ICPCBP 2020
Jan 20-21, 2020
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPCBP 2020 : International Conference on Peptide Chemistry and Bioactive Peptides is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Peptide Chemistry and Bioactive Peptides. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Solid phase peptide synthesis
Peptide coupling agents
Chemical ligation
Bioactive peptides
Cyclic peptides
Antimicrobial peptides
Glycopeptides

Phosphopeptides
Peptidomimetics and constrained
peptides
Natural products
Biosynthesis
Peptide materials
Self-assembly
