

CALL FOR PAPERS

ICPRSQ 2020
Jan 13-14, 2020
Bali, Indonesia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPRSQ 2020 : International Conference on Patient Rights, Safety and Quality is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Patient Rights, Safety and Quality. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Patient rights and human rights
Patient and volunteer rights and consent
Euthanasia and assisted suicide
Application of existing law and development of new legal codes
Conflict of law and ethics and changing scientific and social landscapes
Healthcare professional liability and insurance
Legal profession conduct and practice
Ethics committees and healthcare professional bodies

Confidentiality and electronic patient records
Genetic profiling and engineering
Stem cell and embryo research
Drug and medical research
Financial and economic issues
Animal rights
Impact of business and financial interests
