

CALL FOR PAPERS

ICMBB 2020
Jan 30-31, 2020
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMBB 2020 : International Conference on Microbial Bionomics and Biology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Microbial Bionomics and Biology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Microbial bionomics
Biology, bionomics and molecular
biology

The ecology of microorganisms
