

# CALL FOR PAPERS

**ICCAACC 2020**  
**Jan 30-31, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCAACC 2020 : International Conference on Contemporary Architecture, Architectural Culture and Construction is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Contemporary Architecture, Architectural Culture and Construction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Contemporary architecture

Trends in contemporary  
architecture

Contemporary architecture,  
technology, and design

Contemporary architecture in the  
historic environment
