The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBSE 2020 : International Conference on Bioprocess Systems Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Bioprocess Systems Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Bioprocess Systems Engineering
Bioreactor and Bioprocess Fluid
Dynamics
Bioprocess Engineering
Chemical Engineering
Green Technology
Biosustainability
Biomolecular, Cell and Tissue
Engineering
Biosystems Engineering
Biomaterials

Biopharmaceutical
Bioproducts
Biorenewable / Bioenergy
Food and Process Engineering
Agrotechnology
Marine Technology
Ionic Liquids
Bioprocess and Biotechnology
