

# CALL FOR PAPERS

**ICFAS 2020**  
**Feb 06-07, 2020**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFAS 2020 : International Conference on Forensic and Analytical Science is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Forensic and Analytical Science. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Etymology of forensic science  
History of forensic science: Early methods, Origins of forensic science, Toxicology and ballistics, Anthropometry, Fingerprints, DNA, Maturation, Late 19th-Early 20th Centuries Figures, 20th century Subdivisions: Forensic anthropology, Forensic dentistry, Forensic entomology, Forensic pathology, Forensic botany, Forensic biology, DNA profiling, DNA phenotyping, Bloodstain pattern analysis, Forensic chemistry, Forensic psychology, Forensic psychiatry, Ballistics, Ballistic fingerprinting, Body identification, Fingerprint analysis, Forensic accounting, Forensic arts, Forensic footwear evidence, Forensic toxicology, Gloveprint analysis, Palmprint analysis, Questioned document examination, Vein matching, Computer forensics, Forensic data analysis, Database forensics, Mobile device forensics, Network forensics, Forensic video, Forensic audio  
Related disciplines: Fire investigation, Fire accelerant detection, Forensic engineering, Forensic linguistics, Forensic materials engineering, Forensic polymer engineering, Forensic statistics, Vehicular accident reconstruction  
Questionable techniques

Litigation science  
International demographics  
Examples in popular culture  
Controversies  
Forensic science and humanitarian work
