

CALL FOR PAPERS

ICGFSLFTR 2020
Feb 06-07, 2020
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGFSLFTR 2020 : International Conference on Global Food Safety Law and Food Traceability Regulations is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Global Food Safety Law and Food Traceability Regulations. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Global food safety law
Global food safety law and policy
Food safety
Food safety and quality management
Food safety systems

Global food regulation
Public health law
Food policy
Food governance
Global food traceability
regulations and requirements
