

# CALL FOR PAPERS

**ICMEHCL 2020**  
**Feb 06-07, 2020**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMEHCL 2020 : International Conference on Medical Ethics and Health Care Law is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Medical Ethics and Health Care Law. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Health care law  
Health care law and human rights  
Patient protection  
Rights of individuals with disabilities  
Medical and social approaches to disability

Health disparities and social justice  
Accessibility of health care  
Interplay between law, medical ethics, disability rights  
Mental health law  
Problems in health care law
