

CALL FOR PAPERS

ICRAFM 2020
Feb 03-04, 2020
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRAFM 2020 : International Conference on Recent Advances in Fuzzy Mathematics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Recent Advances in Fuzzy Mathematics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Fuzzy linear systems
Fuzzy differential equations
Fuzzy integral equations
Fuzzy computation and applications.

Fuzzy optimization
Fuzzy mathematics in engineering
Fuzzy information
Soft computing
