

CALL FOR PAPERS

ICSDMMP 2020
Feb 03-04, 2020
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSDMMP 2020 : International Conference on Systemic Decision Making and Modeling Paradigms is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Systemic Decision Making and Modeling Paradigms. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Systemic decision making
Systemic participation
Decision-making
Transdisciplinary approaches
Complementarity

Stakeholder analysis
Management
Complexity analysis
Systems theory
Modeling paradigms
