

# CALL FOR PAPERS

**ICFSPE 2020**  
**Feb 10-11, 2020**  
**Barcelona, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFSPE 2020 : International Conference on Food Safety and Public Education is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food Safety and Public Education. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Food safety  
The importance of safe food  
Food contamination  
Physical food contamination  
Chemical food contamination  
Biological food contamination  
Food control

Manufacturing control  
Food control measures  
Food safety and nutrition  
General considerations in food safety  
Public education and information in food safety  
Safe and hygienic warehouse management  
Safe food handling procedures
