

# CALL FOR PAPERS

**ICSCBW 2020**  
**Feb 10-11, 2020**  
**Barcelona, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSCBW 2020 : International Conference on Sugar Consumption and Body Weight is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sugar Consumption and Body Weight. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sugary foods  
Dietary sugar intake  
Sugar-containing food groups  
Sugar sweetened beverages  
Sweets and desserts  
Food intake control  
Physical activity

Body weight  
Body fat  
Overweight  
Obesity  
Metabolic syndrome  
Non-transmissible diseases
