

# CALL FOR PAPERS

**ICIPTIP 2020**  
**Feb 10-11, 2020**  
**Kuala Lumpur, Malaysia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIPTIP 2020 : International Conference on Indoor Positioning Techniques and Indoor Positioning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Indoor Positioning Techniques and Indoor Positioning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Indoor positioning  
Tracking  
Navigation  
Sensors

Node and network architecture  
Sensor fusion  
Measurement principles  
Accuracy
