

CALL FOR PAPERS

ICPMP 2020
Feb 10-11, 2020
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPMP 2020 : International Conference on Perimenopause, Menopause and Postmenopause is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Perimenopause, Menopause and Postmenopause. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Women's health and Menopause
Perimenopause, Menopause and
Postmenopause
Menopausal symptoms
Age at menopause
