

# CALL FOR PAPERS

**ICPPPTS 2020**  
**Feb 10-11, 2020**  
**Kuala Lumpur, Malaysia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPPPTS 2020 : International Conference on Psychological, Psychosocial and Pharmacological Treatments of Suicide is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Psychological, Psychosocial and Pharmacological Treatments of Suicide. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Suicidology  
Lived experience of suicide  
Suicide prevention  
The role of "big data" in  
suicide prevention  
Innovation in suicide prevention  
and treatment
