

CALL FOR PAPERS

ICSSS 2020
Feb 10-11, 2020
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSSS 2020 : International Conference on Social Stratification in Societies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Social Stratification in Societies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Social stratification
Modern theories of social stratification
Social classes and caste systems
Social difference and inequality
Power, prestige and property
Measuring social stratification

Stratification research
Occupational stratification
Social stratification and mobility
Inequalities of race and ethnicity
Inequalities of gender and age
