

# CALL FOR PAPERS

**ICARE 2020**  
**Feb 06-07, 2020**  
**Lisbon, Portugal**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICARE 2020 : International Conference on Augmented Reality for Education is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Augmented Reality for Education. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Augmented education  
Augmented reality for education  
Computer augmented learning  
Augmenting learning  
Augmenting schools

Augmenting teaching  
Augmentation with the virtual  
Augmenting informal subject-based  
learning  
Augmenting learning using social  
media  
Augmenting collaborative informal  
learning
