

CALL FOR PAPERS

ICBBCPS 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBBCPS 2020 : International Conference on Botox and Body Contouring in Plastic Surgery is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Botox and Body Contouring in Plastic Surgery. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Reconstructive surgery
Forehead, facial and eyelid
rejuvenation
Breast aesthetics and
reconstruction
