

CALL FOR PAPERS

ICCCPCM 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCCPCM 2020 : International Conference on Cervical Cancer Prevention, Control and Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cervical Cancer Prevention, Control and Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cervical cancer
Comprehensive cervical cancer control
Signs and symptoms of cervical cancer
Causes of cervical cancer

screening, diagnosis and staging of cervical cancer
Diagnosis and prevention of cervical cancer
Treatment, prognosis and epidemiology of cervical cancer
