

CALL FOR PAPERS

ICDN 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDN 2020 : International Conference on Dementia Nursing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Dementia Nursing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Dementia nursing
Dementia nursing care plan
Music therapy in dementia
Physiotherapy for dementia
Clinical features of dementia

Therapeutic interventions in dementia
Dementia care management
Effectiveness and safety of dementia care management
Advance care planning
