

# CALL FOR PAPERS

**ICFAR 2020**  
**Feb 17-18, 2020**  
**Male, Maldives**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICFAR 2020 : International Conference on Farm Animal Reproduction is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Farm Animal Reproduction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Reproduction in Farm Animals  
Farm Animal Breeding and  
Reproduction Technology  
Functional Anatomy of Reproduction  
Physiology of Reproduction  
Reproductive Cycles

Reproductive Failure  
Assisted Reproductive Technology  
Reproductive Failure in Farm  
Animals  
Assisted Reproductive Techniques in  
Farm Animals
