

CALL FOR PAPERS

ICINST 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICINST 2020 : International Conference on Integrated Navigation Systems and Technologies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Integrated Navigation Systems and Technologies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Inertial sensors, navigation and
orientation systems
Integrated navigation and motion
control systems

Global navigation satellite
systems
Gravimetric aids to navigation
