

CALL FOR PAPERS

ICIS 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIS 2020 : International Conference on Intentionality and Subjectivity is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Intentionality and Subjectivity. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Intentionality
The intentional relation
Formal theories of intentionality
Problems for forms, and the causal alternative
The relational nature of singular thoughts
Direct reference
Intentional objects
Intentional inexistence

Thinking about things that do not exist
Direct versus indirect intentionality
Intentional states
Intentionality and reason
Intentionality and intensionality
Intentionality and consciousness
Naturalizing intentionality
Externalism and the explanatory role of intentionality
