

CALL FOR PAPERS

ICLBDVCI 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICLBDVCI 2020 : International Conference on Lewy Body Dementia and Vascular Cognitive Impairment is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Lewy Body Dementia and Vascular Cognitive Impairment. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Lewy body dementia
Symptoms and causes of lewy body dementia
Stages and progression of lewy body dementia
Clinical diagnoses of lewy body disease
Risk factor of lewy body dementia
Antipsychotic medications

Palliative care in lewy body dementia
Autophagy
Synucleinopathies
Neuropsychological assessment of lewy body dementia
Neuroimaging in lewy body dementia
The pharmacological management of lewy body dementia
