

# CALL FOR PAPERS

**ICPTBPC 2020**  
**Feb 17-18, 2020**  
**Male, Maldives**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPTBPC 2020 : International Conference on Protective Textile and Ballistic Protective Clothing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Protective Textile and Ballistic Protective Clothing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

High performance textiles  
Modeling of protective clothing  
performance  
Safe use and maintenance of  
protective clothing  
Protective workwears  
Service life of protective  
clothing  
Intelligent materials and wearable  
technologies  
Nanotechnology in protective  
clothing  
Performance apparel  
Protective equipment and technical  
textiles  
Textiles for protection and safety  
Producing protective textiles

Ballistic protective clothing  
Harmful chemical environment  
Making of ballistic armour  
High absorption capacity of  
clothing  
Long lasting and water resistant  
clothing  
Protective clothing for military  
and law enforcement  
Creation of advanced materials  
Ballistic protective clothing  
Harmful chemical environment  
Making of ballistic armour
