

# CALL FOR PAPERS

**ICREFD 2020**  
**Feb 17-18, 2020**  
**Male, Maldives**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICREFD 2020 : International Conference on Rural Entrepreneurship and Farm Development is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rural Entrepreneurship and Farm Development. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rural entrepreneurship  
Entrepreneurship farming and the natural environment  
Strategic decision making in farm development  
Innovating the rural supply chain  
Supply chain strategies for rural entrepreneurs  
International dimensions of rural entrepreneurship: farming and finance  
New approaches in rural theory

Opportunities and challenges for rural development  
Rural businesses  
Rural development, innovation and universities  
Rural social entrepreneurship  
Rural place marketing  
Rural tourism and hospitality entrepreneurship
