

CALL FOR PAPERS

ICVL 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVL 2020 : International Conference on Vitaminology and Lipidology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Vitaminology and Lipidology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Vitaminology and lipidology
Clinical lipidology
The chemistry and function of the vitamins
Allosteric modulation
Catalysis of vitamins and lipids
Vitamins and lipids in cell membrane

Chromatography for vitaminology and lipidology
Cytologic applications of vitaminology and lipidology
Electron microscope
Enzymology, vitaminology and lipidology
Isotope dilution mass spectrometry
Metabolic pathways
