

CALL FOR PAPERS

ICVPP 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVPP 2020 : International Conference on Veterinary Pathology and Parasitology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Veterinary Pathology and Parasitology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Advanced diagnostic techniques
Veterinary clinical pathology
Veterinary parasitology
Veterinary parasite diseases
Comparative pathology
Veterinary anatomical pathology
Clinical pathology and chemotherapy
Prognostic value and clinical pathology
Neuropathology and tumors
Clinical pathology findings in clinical diseases
Non-clinical toxicology testing in clinical pathology
Clinical pathology implications in cancer patients
Clinical pathology and diagnostic testing

Molluscum contagiosum
Advanced molecular testing
Dermatopathology diagnosis
Skin histopathology
Dermatopathology in forensic autopsy
Neoplastic and inflammatory diseases
Merkel cell carcinoma
Cutaneous B-cell and T-cell Lymphomas
Immunophenotyping
Molecular techniques in hematopathology
Hematopathology of lymphoma
Therapy related neoplasms in hematopathology
Molecular genetic pathology
