

CALL FOR PAPERS

ICWCSC 2020
Feb 17-18, 2020
Male, Maldives

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWCSC 2020 : International Conference on Wearable Computers and Smart Clothing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Wearable Computers and Smart Clothing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Wearable computer	Mobile computing
Body-borne computers or wearables	Ambient intelligence
Wearable technology	Ubiquitous computing
Innovative fashion	Commercialization
Innovative textiles	Popular culture
Innovative fashion design	Military use
Smart clothing	Accelerometers or gyroscopes
Electronic textiles	Sensory integration
Areas of applications	Behavioral modeling
History	Health care monitoring systems
Smartwatches	Service management
Google glass	Mobile phones
Optical head-mounted display	Smartphones
