

# CALL FOR PAPERS

**ICITEE 2020**  
**Feb 03-04, 2020**  
**Melbourne, Australia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICITEE 2020 : International Conference on Information Technology and Electrical Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Information Technology and Electrical Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Information Technology and  
Electrical Engineering  
Software Engineering, Services and  
Information Technology  
Wireless Communication, Networking  
and Vehicular Technology  
Power Systems  
Electronics, Circuits and Systems

Control Systems  
Robotics and Automated Systems  
Telecommunications Networks and  
Systems  
Web Engineering and Web Services
