

CALL FOR PAPERS

ICPSEE 2020
Feb 06-07, 2020
Mumbai, India

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPSEE 2020 : International Conference on Power Systems and Electrical Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Power Systems and Electrical Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Advanced Energy Technologies
Battery and Fuel Cell Technology
Distributed Generation Systems
Electric Power Engineering
Electrical Power Engineering and System Integration
Electric Power Transmission and Distribution
Energy and Power Engineering
Energy Economics and Energy Policy
Energy Engineering
Energy Storage System and Technologies
Energy Systems and Power Engineering
Energy Technology and Power Engineering
Fuel Cells and Combustion

Power and Energy Technology Systems
Power Electronics
Power Engineering
Power Engineering and Power Generation Technology
Power Generation Technologies
Power Systems
Power Technology and Engineering
Power Technology and Power Engineering
Power Transmission and Distribution
Renewable and Non Renewable Energy Sources
Renewable Energy Technology
Smart Grid Technologies
Sustainability
