

# CALL FOR PAPERS

**ICAPAPT 2020**  
**Mar 05-06, 2020**  
**Barcelona, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAPAPT 2020 : International Conference on Adolescent Psychiatry and Adolescent Psychiatric Treatment is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Adolescent Psychiatry and Adolescent Psychiatric Treatment. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Adolescent development	Juvenile delinquency
Physical development	School rejection
Neuropsychiatric development of the brain	Bullying
Nutrition and eating habits	Gender identity disorder
Body image development	Anxiety disorders
Identity development	Mood disorders
Gender development	Attention deficit and hyperactivity disorder
Self development	Conduct disorder
Social development	Oppositional defiant disorder
Virtual relations	Eating disorders
Psychiatric problems and disorders in adolescents	Sleep disorders
