

# CALL FOR PAPERS

**ICPPO 2020**  
**Mar 05-06, 2020**  
**Barcelona, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPPO 2020 : International Conference on Postharvest Physiology of Ornamentals is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Postharvest Physiology of Ornamentals. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cut flowers and foliage  
Senescence  
Abscission  
Pigmentation  
Pathogens control

Water relations  
Gravitropic bending  
Vase/shelf life  
Plant hormones  
Carbohydrates
