

CALL FOR PAPERS

ICCHM 2020
Mar 19-20, 2020
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCHM 2020 : International Conference on Cat Health and Medicine is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cat Health and Medicine. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cat health and care
Prevention and treatment of feline diseases
Genetics and precision medicine
Anesthesia
Interventional urology

Viral diseases
Thyroid pathology
Behavior
Theriogenology
Rehabilitation/physiotherapy
