

CALL FOR PAPERS

ICEEA 2020
Mar 19-20, 2020
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEEA 2020 : International Conference on Electrical Engineering and Applications is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Electrical Engineering and Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Power System & Energy Engineering:

Power System Planning and Scheduling
Power System Protection, Operation and Control
Transmission & Distribution System and Apparatus
Power System Stability
Power Generation and Sustainable Environment
Power Market and Power System Economics
Power System Modeling, Simulation and Analysis
HVDC and FACTS
Electromagnetic Transients Programs (EMTP)
Wind, Solar and Renewable Energy
Electronics, Information & Control Systems:
Communication Systems

Intelligent Systems and Approach
Information Technology Application
Control Theory and Application
Knowledge Management
Electrical Machines, Power Electronics & Industry
Applications:
Electrical Machines
Electric Drivers and Application
Electrical Traction Systems and Control
Electromagnetic and Applied Superconductivity
Industrial Process Control and Automation
Inverter and Converter Technology
Fundamentals, Materials & Education:
Electrical Materials and Process
