

CALL FOR PAPERS

ICETE 2020
Mar 19-20, 2020
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICETE 2020 : International Conference on Emerging Technologies in Education is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Emerging Technologies in Education. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Emerging technologies in education
Educational innovation
Higher education
Learning and teaching
Adaptive learning technologies
Mobile learning
The internet of things

Artificial intelligence
Audio and video
Computers, tablets and mobile devices
Collaborative and social learning
Whiteboards
Virtual classroom
Learning management system
