

CALL FOR PAPERS

ICMIS 2020
Mar 19-20, 2020
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMIS 2020 : International Conference on Mobile Information Systems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Mobile Information Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- Mobile information systems
- App development methods
- Context awareness
- Mobile APIs and services
- Mobile commerce
- Mobile learning
- Mobile navigation and assistance

- Mobile social network interaction
- Interoperability
- Mobile web
- Human computer interaction
- Social and mobile information systems
- New trends in mobile information systems
- Application of mobile information systems
