

CALL FOR PAPERS

ICPES 2020
Mar 19-20, 2020
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPES 2020 : International Conference on Plant and Environmental Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Plant and Environmental Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Agricultural, Biotechnology,
Biological and Biosystems
Engineering
Agricultural Economics and
Management
Animal and Veterinary Sciences
Animal-cell Biotechnology
Applied Aspects of Cellular
Physiology, Metabolism, and
Energetics
Aquacultural Science and
Engineering
Biocatalysis and Applied
Enzymology
Biochemistry and Molecular Biology
