

CALL FOR PAPERS

ICPJ 2020
Mar 19-20, 2020
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPJ 2020 : International Conference on Phytohormones and Jasmonates is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Phytohormones and Jasmonates. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Phytohormones
Auxins
Cytokinins
Gibberellins
Abscisic acid
Ethylene
Jasmonates
Salicylic acid

Brassinosteroids
Hormonal signaling
Metabolism of hormones
Hormonal target genes
Hormonal control of plant growth
and development
Resistance
Productivity
