

# CALL FOR PAPERS

**ICAAE 2020**  
**Mar 19-20, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAAE 2020 : International Conference on Applied Animal Ecology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Applied Animal Ecology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Animal ecology  
Principles of animal ecology  
Population, conservation and evolutionary ecology  
Evolutionary and behavioral ecology  
Foraging ecology

Movement ecology  
Competition, facilitation and predation  
Community ecology  
Plant-animal interactions  
Evolution of animal traits
