

CALL FOR PAPERS

ICCRP 2020
Mar 19-20, 2020
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCRP 2020 : International Conference on Critical Regionalism and Planning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Critical Regionalism and Planning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Critical regionalism
Architectural regionalism and traditionalism
Critical regionalist buildings
Sustainable architectural applications
Critical regionalism in building envelope maintenance
Development and history of critical regionalism

The philosophy and mathematics of critical regionalism
Sustainability in critical regionalism
Aims and characteristics of critical regionalism
Critical regionalism and pioneering architects
Design construction requirements and options
