

CALL FOR PAPERS

ICREF 2020
Mar 19-20, 2020
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICREF 2020 : International Conference on Rural Entrepreneurship and Farming is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rural Entrepreneurship and Farming. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rural entrepreneurship
Entrepreneurship farming and the natural environment
Strategic decision making in farm development
Innovating the rural supply chain
Supply chain strategies for rural entrepreneurs
International dimensions of rural entrepreneurship: farming and finance
New approaches in rural theory

Opportunities and challenges for rural development
Rural businesses
Rural development, innovation and universities
Rural social entrepreneurship
Rural place marketing
Rural tourism and hospitality entrepreneurship
