

# CALL FOR PAPERS

**ICSCHOR 2020**  
**Mar 19-20, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSCHOR 2020 : International Conference on Sustainable and Circular Horticulture and Output Recovery is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sustainable and Circular Horticulture and Output Recovery. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sustainability

Agriculture Production Circular System

Sustainable and Circular Horticulture

Resource Efficiency

System Efficiency

Output Recovery

Input Reduction

Diversity of Food Systems

Crop Diversity

Production Technology

Waste Recycling

Substrate Recovery
