

CALL FOR PAPERS

ICAEE 2020
Mar 12-13, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAEE 2020 : International Conference on Animal Ecology and Evolution is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Animal Ecology and Evolution. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Animal ecology
Principles of animal ecology
Population, conservation and evolutionary ecology
Evolutionary and behavioral ecology
Foraging ecology

Movement ecology
Competition, facilitation and predation
Community ecology
Plant-animal interactions
Evolution of animal traits
