

# CALL FOR PAPERS

**ICCLSP 2020**  
**Mar 12-13, 2020**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCLSP 2020 : International Conference on Clinical Linguistics and Speech Pathology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Clinical Linguistics and Speech Pathology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

#### Clinical linguistics

Theory and applications in speech pathology and therapy  
Linguistics and phonetics of disorders of speech and language  
Contribution of data from communication disorders to theories of speech production and perception  
Research on communication disorders in multilingual populations

Pragmatic aspects of speech and language disorders  
Clinical dialectology and sociolinguistics  
Childhood, adolescent and adult disorders of communication  
Linguistics and phonetics of hearing impairment, sign language and lip-reading
